

Wesdome Gold Mines is in its 30th year of continuous gold mining operations in Canada. The Company is 100% Canadian focused with a pipeline of projects in various stages of development. The position is at the Eagle River Complex, located approximately 50 km West of Wawa, Ontario. We are currently producing gold from the Eagle River Underground Mine and the Mishi Open Pit Mine.

Eagle River mine is currently looking for a lead Mine Technician Surveyor or a Surveyor to join his technical team.

Key responsibilities would be:

- Day to day underground survey (topo, heading alignment, stope CMS, check survey, raises...)
- Providing updated layouts to the Mining department
- Updating headings on Promine (Autocad)
- Survey collars and breakthroughs on production drilling for quality control
- Survey diamond drill holes
- Month-end survey for bonus

Qualifications:

- Survey/Mine Engineering Technician Diploma
- 1-3 years experience in underground mine
- Good with Promine (Autocad) and Excel (Microsoft Office Suite)
- Valid driver's license

Works conditions:

- 8/6 or 4-3/5-2 rotation (day shift)
- Remote camp location, room and board (not a fly-in/fly-out)
- Competitive salary and career advancement opportunities
