

WESDOME GOLD MINES LTD.
INSIDER TRADING, DISCLOSURE AND CONFIDENTIALITY POLICY

PURPOSE

The purpose of the Insider Trading, Disclosure and Confidentiality Policy (the “**Policy**”) of Wesdome Gold Mines Ltd. (“**Wesdome**” or the “**Company**”) is to prevent improper insider trading, to ensure that all parties in possession of material undisclosed information understand their obligations to preserve the confidentiality of such information, to prevent the selective disclosure of material information, and to ensure that documents released by the Company and oral statements made by representatives of the Company do not contain a misstatement. In addition, the Policy is designed to ensure that the officers, directors and employees of the Company at all times act, and are perceived to act, in accordance with applicable laws and the highest standards of ethical behaviour and professional conduct.

APPLICATION

This Policy relates to all of Wesdome’s securities including common shares, stock options and any other securities issued by the Company from time to time, and applies to all directors, officers, employees, consultants and contractors of the Company (“**Wesdome Representatives**”), and all “related persons” who may be in possession of “material non-public information” that has not been disclosed. “**Related Person**” includes your spouse, minor children and anyone else living in your household, or others who do not live in your household but whose transactions in the Company’s securities are directed by you or are subject to your influence or control, as well as any legal entities controlled by you. This includes partnerships in which you are a general partner, trusts of which you are a trustee, and estates of which you are an executor. “**Material Non-Public Information**” means any information relating to the business or affairs of the Company that has not yet been publicly disclosed and results in, or would reasonably be expected to result in, a significant change in the market price or value of the Company’s securities or that would reasonably be expected to have a significant influence on any reasonable investor’s investment decisions. Both positive and negative information can be Material Information.

TRADING RESTRICTIONS

INSIDER TRADING

Under applicable securities laws, Wesdome Representatives are in a “special relationship” with the Company and, as a result, are prohibited from purchasing or selling shares or other securities of the Company while in possession of Material Non-Public Information. Information should be considered non-public until a reasonable amount of time has passed since the information has been disseminated widely to the general public through press release or other widely disseminated means, and reasonable time has passed for the public to analyze and digest the information. For the purposes of this Policy, 48 hours, or two clear trading days, shall be considered “reasonable time”.

No director, officer, employee, consultant or contractor of the Company shall, directly or indirectly, engage in any transaction involving a purchase or sale of the Company’s securities during any period

commencing with the date that he or she possesses Material Non-Public Information of the Company and ending at the close of business one full trading day following public disclosure of that information. This includes buying or selling securities of the Company, and selling securities acquired through the exercise of stock options.

BLACKOUT PERIODS

All directors and officers (“**Insiders**”) and employees, consultants, contractors or others who possess Material Non-Public Information regarding the business or affairs of the Company from time to time (“**Designated Insiders**”) shall be subject to regularly scheduled blackout periods during which trading in securities of the Company is prohibited.

Regularly scheduled blackout periods will occur surrounding the release of the Company’s operating and financial results. No trades shall be carried out during the period of time beginning on the first day following the end of a fiscal quarter or fiscal year end until two full trading days after the financial results for a fiscal quarter or fiscal year end have been disclosed by the Company by way of press release.

AD HOC BLACKOUT PERIODS

Blackout periods may be imposed from time to time as a result of special circumstances material to the Company but not yet disclosed or disclosable. All Insiders and Designated Persons as determined from time to time will be covered by ad hoc blackouts and will be informed by means of email notification by one of the Primary Contacts listed in Appendix A to this Policy (the “**Primary Contacts**”).

PRE-CLEARANCE REQUIREMENTS

To assist in preventing even the appearance of an improper insider trade, Insiders and Designated Persons must provide prior written notice of intention to carry out a trade (including the exercise of any stock option). No trade shall be carried out without the written consent of one of the Primary Contacts.

Notification of intention to trade must be provided in writing by email to preclear@wesdome.com. Approvals will be provided in writing by email. Clearance of a trade is valid for a period of seven (7) calendar days, unless revoked prior to that time. No trade may be carried out after the expiry of seven (7) calendar days following the receipt of approval unless such approval is renewed.

Notwithstanding any notice of a trade as provided above and any approval of a trade provided by one of the Primary Contacts, the ultimate responsibility for complying with this Policy and applicable laws and regulations rests with the individual.

EXCEPTIONS TO TRADING RESTRICTIONS

The prohibition regarding trading in securities of the Company during a blackout period does not apply to the acquisition of securities through the exercise of stock options, but does apply to the sale of the securities acquired through the exercise of the options.

Trading during blackout periods may be permitted in exceptional circumstances with the prior approval of the President and Chief Executive Officer (“CEO”), provided that the individual is not in possession of Material Non-Public Information. Exceptional circumstances may include the sale of securities in the case of severe financial hardship or where the timing of the sale is critical for tax planning purposes.

If a trading pre-clearance is granted under such circumstances, such persons are reminded of the general prohibition against insider trading under Canadian securities laws generally, and that compliance with those laws is the sole responsibility of the individual.

INSIDER REPORTING REQUIREMENTS

A “Reporting Insider” as defined by the *Securities Act* (Ontario) (the “Act”) includes all directors and officers of the Company. Reporting Insiders are subject to reporting obligations in accordance with applicable securities laws, and are required to file an “insider trading report” with Canadian securities regulators within ten (10) calendar days after becoming a Reporting Insider, disclosing the individual’s beneficial ownership of, or control or direction over, Wesdome securities and share-based awards.

Each such Reporting Insider is also required to file an insider trading report with Canadian securities regulators any time beneficial ownership of, or control or direction over securities of the Company, changes within five (5) calendar days of the date on which the change occurs.

Insiders who require assistance with the filing of an insider report may contact the Chief Governance Officer and Corporate Secretary who will arrange for the assistance, preparation and filing of an insider report.

Reporting Insiders are reminded that they are personally responsible for the timely disclosure of their trading activities, and any assistance offered to them in no way reduces the obligations imposed on them by applicable insider trading laws.

QUIET PERIODS

The Company shall observe a quiet period beginning two weeks prior to the end of the current quarter, during which no earnings guidance or comments with respect to the current quarter’s operations or expected results will be provided to analysts, investors or other market professionals. Wesdome Representatives who violate this Policy will be subject to disciplinary action, and may be liable for improper transactions by any person to whom they have provided Material Non-Public Information.

SPECULATION AND HEDGING

In order to ensure that perceptions of insider trading do not arise, Wesdome Representatives should not speculate in securities of the Company. For the purposes of this Policy, speculation involves the purchase or sale of securities of the Company with the intention of reselling or buying back in a relatively short period of time in the expectation of a rise or fall in the market price of such securities. Speculation for short-term profit is distinguished from purchasing and selling securities as part of a long-term investment program.

Wesdome Representatives are prohibited from hedging securities of the Company that they beneficially own, directly or indirectly, or exercise control or direction over, including trading in publicly-traded options, puts, calls or other derivative instruments related to the Company's securities.
